

ECHO Cohort Internship 2023 – Essay Questions

We have provided the essay questions portion of the application form for you to compose your answers in advance of the online application process. Our online system for accepting applications has been known to time out when composing longer answers which is frustrating. Please compose the answers to these questions here and copy and paste the completed answers into the online application.

Please be complete in your answers but keep the length to 2-3 paragraphs.

ECHO's Vision Statement is "*Honoring God by empowering the undernourished with sustainable hunger solutions.*" **In what ways does this Vision Statement resonate with your goals in life?**

ECHO's Mission Statement is "*Following Jesus by reducing hunger and improving lives worldwide through partnerships that equip people with agricultural resources and skills.*" **What does "following Jesus" mean to you?**

Please share your most relevant experience where you have gained agricultural or community development knowledge. Include the institution, location, and length of involvement in your brief description.

Have you had any experience internationally in the field of agriculture or community development? If so, please include the organization, location, and length of time in your brief description.

Please briefly describe any cross-cultural ministry or experiences you have had.
